Employment Opportunities in PRINCE GEORGE, KAMLOOPS and KELOWNA

The BC Regional Council of Carpenters is seeking individuals interested in working as an Overhead Door Technician. Our signatory contractor, installs and service overhead doors and garage doors and a wider range of related products.

They are growing and are in need of experienced door technicians and helpers. The main responsibilities are:

- 1) Installing and servicing overhead doors- residential, commercial, industrial, motors, controls.
- 2) Use of hand tools and power tools.
- 3) Heavy lifting may be required - up to 50lbs.
- 4) Use of ladders, scissor lifts, fork lifts.
- 5) Critical thinking and problem-solving skills - every door and site are different.
- 6) Self-motivated, hardworking, and can-do attitude.
- 7) Mechanical or electrical experience an asset.

Competitive wages, full benefits, tools provided, truck provided for the right candidate, some travel may be required. Experience in the door industry is an asset, but we are willing to train the right candidate with the right attitude. This is a full-time position. 1-year experience is preferred however, all applicants will be considered.

Please send your Resume to Derrek Autzen at dautzen@bcrc.ca
